## Thank You for 40 Years

On a warm, late spring evening, past and current directors, staff and family members joined together to celebrate Ron Jackson's 40+ year involvement with MMFCU. Ron, who has been on the MMFCU Board of Directors since 1977, has been very active and served on numerous committees through the years, and he has been witness to MMFCU growing from a cashless credit union into a full-service, member-centric financial institution. In fact, he helped hire current President/CEO David Plantier in 1985!

Ron is a pioneer for MMFCU who has helped shape our history and pave the road to where we are today. He has helped lay a solid foundation and set the credit union up for success for years to come. We are thankful to Ron for dedicating his time and talent to us, as well as to Ron's family for sharing him with us for such a long period of time. We are extremely grateful for not only the privilege of working beside him, but for also being able to call him friend and mentor.

*Pictured above is Dave Plantier, MMFCU President/CEO, presenting Ron Jackson, Board Member, with a framed picture of the original Board of Directors minutes from when he was appointed to the Board, as Charles Gray, Board Chairman, looks on.*

As part of our celebration, Ron was given the original Board of Directors minutes from his appointment to the Board and a brick related to the original construction of MassMutual (a place he loved). He was also granted the title of Director Emeritus by unanimous vote of the Board. Additionally, MMFCU will name one of its annual scholarships the Ron Jackson Scholarship.

**Thank you, Ron, for 40+ years – and here's to many more! Enjoy!**

## Congratulations to the 2017 Scholarship Winners!

Thank you to all of those who applied for MMFCU's 2017 scholarships. Each year, MassMutual FCU selects six well-deserving students to receive a \$2,000 scholarship to help with college expenses. As in years past, choosing this year's winners was a difficult decision. There were hundreds of great entries.

These students have a lot to bring to the table and definitely raise the bar for next year's entries. These young adults have proven themselves in the classroom, on the athletic fields and in various activities/clubs. Here's a sneak peek at these inspiring individuals:

**Melanie Senk of Lewis S. Mills High School** is the winner of the Harold Heap Memorial Scholarship awarded by the Pioneer Valley Chapter of the Cooperative Credit Union Association. Melanie will be attending Northeastern University. She will study Chemical Engineering.

**Kristopher Campbell of Longmeadow High School** will be attending Bentley University in the fall. Kristopher intends to major in Finance.

**Robert Koziol of Minnechaug High School** will be attending Northeastern University in the fall and has been accepted into their Pharmacy Program.

**Aniley Morales of the Springfield Renaissance School** will be attending the University of Bridgeport in the fall. Her plan is to major in International Relations.

**Connor Rush of Loomis Chaffee** has been accepted into Georgetown University and will be studying at the McDonough School of Business in the fall.

**Casey Rutledge of St. Mary's Parish School** will be attending the Catholic University of America in the fall and will double major in Civil Engineering and Architecture.

"We are proud to award our annual scholarships to these deserving students," said David Plantier, President/CEO of MMFCU. "It is through their fervent dedication to their studies, their school and their community that they have already achieved much. We are excited to see what the future holds for them. On behalf of the Board of Directors and staff at MMFCU, I would like to extend my congratulations to all of our 2017 scholarship award recipients and wish them all the best for a successful future."

Summer has finally arrived, and we're all itching to take some time to relax. If you have any plans to leave the country, make sure you let us know where you are going. The last thing you want to worry about is not being able to use your debit or credit card when you are away.
