

High Yield Checking Information

The High Yield Checking (HYC) account is a great way to earn more interest on your checking account while still keeping your funds immediately available to you. The HYC account is a tiered interest rate account – the more in balances that are maintained, the higher the interest rate.

Other important information about the High Yield Checking Account:

- **Minimum balance to earn interest: \$5,000**
- **Minimum balance to avoid a maintenance fee: \$5,000**
- **Maintenance fee if balance not maintained: \$10.00**

There are additional benefits to the High Yield Checking account:

- No fee Visa Gift Cards
- No fee for domestic wire transfers
- No fee for Official Checks
- No fee for American Express Traveler's Cheques
- Additional free ATM transactions
