Children's Book Drive (April 1-30)

The need is simple: Children need books!

MMFCU is collecting gently used and new books for children in the Springfield Public School District. Many students do not have access to current books that they enjoy reading, and when literacy suffers, so do future opportunities. Join us this April by dropping books off at our Main Branch and Express Teller location, or purchase books from our Amazon® Wishlist; they will automatically ship to us.

Springfield Public Schools will receive all book donations, and MMFCU will monetarily match every donated item and donate to literacy efforts in Boston and Cincinnati, as well as a MassMutual Financial Advisor-nominated community.

VACATION CLUB

Sit back, relax, and allow a Vacation Club Savings account to take the stress away from paying for a big-ticket expense.

Club accounts are an easy way for you to save for a vacation – or even the holidays – while still earning dividends. Our club accounts earn the same dividend rate as our savings accounts; however, the funds in a club account cannot be accessed using your ATM/Visa® Check Card. Temptation, be gone!

The money you save is automatically deposited into your savings account before a vacation or holiday season, so you don't have to stress about the increase in expenses!

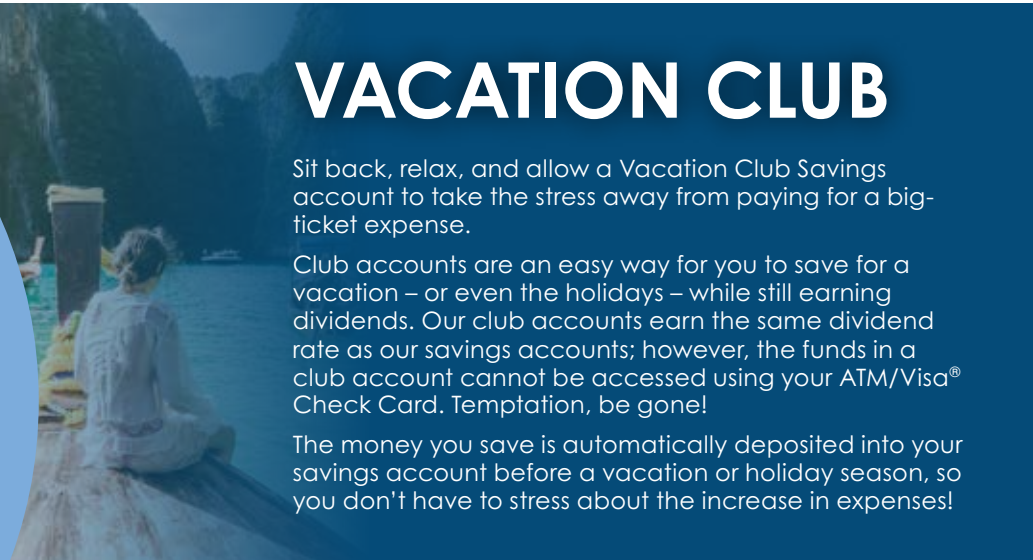

PHOTO CONTEST

MMFCU's Annual Photo Contest starts April 1! Send us your best photographs from the last year, and they could be featured in our 2023 calendar. The 12 photos that get the most "likes" and "shares" will be featured in next year's calendar!

HOW TO ENTER:

1. Choose your best photo(s), up to five entries per person
2. Email your submissions with your full name and a short caption to cumarketing@massmutualfcu.org
3. Each "like" on your post = one vote
4. "Like" our Facebook page for weekly photo updates
5. "Like" and share your favorite entries to help them win

We look forward to seeing your photos!

SAVE SMALL ★ DREAM BIG at your credit union™

Every year, credit unions worldwide dedicate the month of April to our youth. It's a time to specifically focus on providing them the right tools to set them on a path for lifelong financial success.

This year's theme, **Save Small, Dream Big**, is exactly what we try to instill in our young savers. We have created something for ALL of our young members, no matter what financial stage they are in, to encourage them to keep saving for their dreams.

- **Save Small, Dream Big.** Does your young saver need an upgrade from their piggy bank? It's never too early to start teaching them the importance of saving and creating those habits. During the month of April, if you open a GenerationNow account for your child, MMFCU will give you \$50 to start their financial journey. Open your GenerationNow account today and use **promo code YM22** to receive the \$50 savings starter. Want to get social? Tag @MMFCU on Facebook or Instagram with a photo, video, or drawing of your small saver's big dreams. You never know what dreams may come true!

- **Everyone Wins.** For the young savers that already have a GenerationNow account, we have some exciting news to share! Starting this April, MMFCU is doubling the maximum balance for this higher-interest children's account. GenerationNow account holders will now receive 0.25% on up to \$1,000 instead of \$500. No one takes the L on this one!
