Finance All Your BIG PLANS with a Home Equity Loan

Do you have big plans to tackle a home improvement project? Consolidate debt? Finance a college education? Buy a new car? With a home equity loan from MassMutual FCU, it's possible.

It's a common misconception that home equity loans can only be used for home improvements. The reality is you can use a home equity loan to pay for a wide variety of expenses – from renovations and car repairs to a dream vacation. And it's probably more affordable than you think, especially in this climate of higher interest rates.

At MassMutual FCU, you have two great options:

Home Equity Loan

- Lump-sum disbursement
- Fixed rates
- Fixed monthly payment
- Low closing costs

Home Equity Line of Credit (HELOC)

- A line of credit available whenever you need it
- Monthly payment varies based on balance and Prime Rate
- No appraisal, annual, title or application fees (may have some closing costs with large limit requests)

Applying is easy! You can apply for a home equity loan or a HELOC online by visiting massmutualfcuhb.org/borrow/home-equity or scanning the QR code. Learn more about your options on that webpage or reach out to us with any questions!

Scholarship Update

A special thank you to all the students who took the time to write about the advice a wisdom tooth provides! Keep an eye on our website over the next month, when we unveil this year's scholarship recipients.

Join the Vacation Club

Sit back, relax and allow a Vacation Club Savings account to take the stress away from paying for a vacation.

Club accounts are an easy way for you to save for a vacation or the holidays while still earning dividends. Our club accounts earn the same dividend rate as our savings accounts; however, the funds in a club account cannot be accessed using your ATM/Visa® Check Card.

Temptation be gone! The money you save is automatically deposited into your savings account before the vacation or holiday season, so you don't have to stress about the increase in expenses!

Dave Plantier, President & CEO of MassMutual Federal Credit Union, to Retire July 2023

After a distinguished 38-year career, Dave Plantier, Chief Executive Officer of MassMutual Federal Credit Union (MMFCU), announced his intent to retire effective July 5, 2023.

In his 38 years with MMFCU, Dave has played an important role in managing and growing the credit union. In addition, his leadership has helped enable MMFCU to effectively maintain a sound financial institution while providing value and peace of mind to members.

Outside of Dave's role as President and CEO, he has also served as the Scholarship Committee Chair and a longtime member of the Social Responsibility Committee for the Pioneer Valley Chapter of the Massachusetts Credit Union League and the Cooperative Credit Union Association.

"Dave has been a great leader – not only at MMFCU, but across the state, during his tenure as CEO," said Kerry Hurley, Chairman of the Board for MassMutual Federal Credit Union. "He has guided the credit union through many changes over the years, always with an eye on the financial stability and soundness of the credit union, and the best interests of our members at heart."

Chris Brown, Chief Operations Officer of MassMutual Federal Credit Union, also expressed his sentiments regarding Dave's retirement announcement. "I've been privileged to work directly with Dave for the past 10 years. I am thankful for the opportunity to learn from someone who has literally seen it all over the course of his credit union career. Dave has steered this ship with a steady hand, with an eye towards the horizon, for many years; there is certainly a bright future for MMFCU as we stand on the foundation he has built."

Please join us in thanking Dave for the countless contributions he has made to the credit union over the years. We wish him and his family well as he takes the next step in his personal journey.
