

Welcome to MMFCU! We're excited you've joined us and want your first steps to feel simple, clear, and fully supported. This quick checklist will help you get set up with the tools, features, and benefits that make banking with MMFCU easy from day one.

Your “M-M-F-C-U” New Member Checklist:

M — Move Your Money with Confidence

- Switch your direct deposit or set up payroll deduction.
- Update billers, subscriptions, or recurring payments with your MMFCU routing and account number.
- Transfer funds from external accounts to begin using your MMFCU account right away.

M — Manage Your Mobile & Online Banking

- Enroll in Online Banking and download the MMFCU Mobile App.
- Enable account alerts, card controls, and mobile check deposit.
- Set up transfers between MMFCU and any external financial institutions.

F — Fast-Track Your Access

- Enroll in eStatements for secure, paperless monthly statements.
- Turn on push notifications or email alerts to stay updated on balances and activity.
- Confirm your contact information is up to date, so you never miss important account notifications.

C — Customize Your Financial Tools

- Add your debit card to your digital wallet for easy, secure payments.
- Review savings options—high-yield savings, club accounts, and certificates—to choose the path that fits your goals.
- Explore member-only loan benefits, including auto, home, and personal loan options.

U — Use Your Member Benefits

- Locate nearby surcharge-free ATMs and shared branches.
- Check your credit score with Credit Sense by SavvyMoney.
- Keep MMFCU's Member Support information handy in case you ever need assistance.
